

# On Time Staffing Services

**On Time Staffing is a premiere national staffing agency offering temporary and direct hire employment opportunities.**

On Time Staffing's mission is to provide exceptional healthcare professionals who deliver high-quality patient care within our communities.

We focus on developing ongoing relationships and ensuring successful placements for longevity within the healthcare sector

On Time Staffing is positioned to provide the balance desired between employers and staff, offering flexible choices with dependable solutions. Our education, recruiters comply with joint commission standards, user state of the art software, and display an obvious passion for their services

On Time Staffing has core values of integrity, passion, empowerment, respectfulness, compassion, gratitude, humor, constant improvement, and maintaining a team-focused environment. Our approach allows for continued growth and expansion within healthcare

## PEOPLE • PLACEMENTS • RELATIONSHIPS

On Time Staffing is a people business. We offer recruiting and staffing solutions in all healthcare sectors.

Traditional hiring methods are impractical when healthcare facilities are in critical need of skilled professionals.

We provide hiring managers financially sound, flexible solutions to accommodate their work shortages.

On Time Staffing provides temporary coverage (short and long term), direct hire placements (full or part-time); with temporary to direct hire options.

# n Time Staffing Services

## Benefits to Those Who Hire Us

### Performance

We operate by joint commission standards, using effective recruitment strategies with quality screening, interviewing, and credentialing.

### Cost Relief

We absorb all advertising costs; pre-screen candidates to expedite your hiring process and reduce your payroll liability.

### Responsiveness

We accommodate by offering best-in-class customer service and reliable 24 hours support.

### Satisfaction

We offer a 30-day satisfaction period with all direct hire placements.
